.....  
 As in the past, contributions or gifts to the New Jersey Academy of Ophthalmology (NJAO) are not tax deductible as charitable contributions for income tax purposes. They may be tax deductible as ordinary and necessary business expenses, however, as a result of the federal budget and tax laws passed in 1993, any portion of dues used for lobbying activities are no longer tax deductible for federal purposes. Based on the portion of dues allocated for lobbying, NJAO estimates that the non-deductible portion of your 2023 dues to NJAO is 50 percent.
